How to order custom calendars

Simply follow these 3 easy steps

Choose a format

53 different calendar formats available.

Choose a grid

either from our stock designs or supply your own.

Choose a color

specify color for holidays from any PMS color.

Custom calendar creation is now as easy as 1.2.3.

The easiest and most cost effective way to order custom calendars is to choose from one of our existing calendar formats and just plug in your own images. Our minimum quantity is 500 pieces. (50 for digital)

Or if you are seeking something more unique and specific, please contact one of our calendar specialists. With over 25 years of experience in calendar publishing, we have the knowledge and capabilities to create the calendars you want.

General Information

ARTWORK : You supply the images in digital files and we will handle the rest. Please make sure images are in high resolution (300 dpi, CMYK, and Tiff or EPS). If you can only provide photographs, contact us for image scanning costs.

PRODUCTION TIMES : The usual production time is 3 weeks. Turnaround depends on quantity, item and time of the year. All turnaround times given are from the day the proof is approved by the customer.

PROOFS : Our custom calendar prices include 1 set of digital proofs. Any additional proofs will incur an extra charge.

COATING : For dramatic results, calendars can be coated with UV, Gloss or Satin Aqueous coating at an additional cost. Please contact factory for cost. Not available for digital.

MODIFICATIONS : Any of our stock formats can be modified to your liking, such as switching stock weight, number of ink colors, size and so on. Please contact factory for cost.

DIGITAL PRODUCTION : For any job produced digitally, all PMS colors will be converted to Full-color process. Converted PMS colors will not be an exact match.
